

St Albans City Youth Community Football Club - Registration Fees

Support for those with Financial Difficulty (SFD Policy)

St Albans City Youth Community Football Club is a Registered Charity (no. 1089343). As such, the Club has the aim of providing Football for All.

Football for All

The Club's aim is to provide access to football for Girls and Boys up to the age of 18 years and people with Disabilities into young adulthood from St Albans and the surrounding District without discrimination. This is to include access to the Club and its facilities for those whose families are undergoing Financial Difficulty. This aim can be summarised by the phrase 'Football for All'.

Registration Fees

The Club recognises that not all families are able to meet in part or in full the financial commitment of the Annual Registration Fee. The Club openly recognises that each season the Club will receive a small number of requests from parents/guardians for the deferment, reduction or exemption from the payment of club Registration / Membership fees.

SFD Policy

The Support for those with Financial Difficulty Policy (SFD) of the club is as follows:

- If a Parent/Guardian has difficulty paying the annual registration fee there is the option to pay by instalments in order to ease the financial burden by spreading payments over the calendar year. This is to be agreed with the Team's Manager who will contact the Treasurer or Club Secretary accordingly.
- If paying by instalments is not a viable option, the Parent/Guardian can make an offer of a partial donation towards the annual registration fee to be agreed by the careful consideration of the Committee.
- In all cases requests under the policy will be considered carefully and sympathetically by the Club Committee and will be dealt with in the strictest confidence.
- All requests must be submitted verbally or in writing via the Player's team manager or to the Club Secretary (ian.829woods@btinternet.com) or Treasurer (treasurer@cityyouthfc.com) directly.
- Whilst all applications will be considered carefully by the Committee the decision of the Committee will be final.

IMPORTANT

Please note that whilst individual financial circumstances can alter unexpectedly due to unforeseen events or circumstances it is the responsibility of the Parent or Guardian making an application to raise it with their Team Manager or the Club Secretary / Treasurer by 30th September 2020 or within one month of Registering to play for the Club, whichever is the later.
